# Introduction – Why a Second Passport in 2026?

**In an uncertain world, a second citizenship is your ultimate Plan B. Whether for visa-free travel, tax optimization, family security, or business expansion, Citizenship by Investment (CBI) programs deliver real passports in months—not years.**

## **Key Benefits:**

- **Global Mobility:** Travel to 130-160+ countries visa-free (UK, Schengen Europe, China for some).
- **Family Legacy:** Include spouse, children, and parents—lifetime citizenship.
- **Tax & Wealth Protection:** No income/capital gains tax in many programs.
- **No Residency Required:** 100% remote applications for most.
